Signature of Sponsor

AMEND Senate Bill No. 1986

House Bill No. 2000*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-1-302(d)(2)(B), is amended by adding the following as a new subdivision:

() Notwithstanding this subsection (d) to the contrary, if a teacher, for the current evaluation year, does not have access to individual growth data representative of student growth, as specified in subdivision (d)(2)(B)(ii), due to changes in academic standards or assessment design requiring standards validation or standards setting in the teacher's content or subject area, then fifteen percent (15%) of the teacher's evaluation criteria must be comprised of student achievement data based on other measures of student achievement pursuant to subdivision (d)(2)(B)(iii) and eighty-five percent (85%) must be comprised of scores derived from the state board approved evaluation model for the qualitative portion of the teacher's evaluation unless using the evaluation criteria outlined in subdivision (d)(2)(B)(vii) results in a higher final evaluation score for the teacher.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
